1. TERMS OF SERVICE

Acceptance of Terms

By accessing or using MARS (marsizen.com), you agree to be bound by these Terms of Service. If you disagree with any part of these terms, you may not access or use our services. These Terms apply to all visitors, registered members, learners, and consultation clients.

Accounts & Authentication

MARS operates using passwordless verification via secure email one-time codes (OTP). When accessing the platform, you must provide accurate, current, and complete email information. You are solely responsible for maintaining the security of your email inbox and authentication credentials.

Intellectual Property

All courses, curricula, software architectures, written lessons, video materials, trademarks, graphics, and proprietary methods provided by MARS are the exclusive intellectual property of MARS and founder Marjan Ahmed. Unauthorized copying, recording, sharing, reselling, or public redistribution is strictly prohibited.

Private Advisory & Consultancy

1-on-1 consultancy sessions are strategic advisory conversations based on professional experience. MARS does not guarantee specific commercial outcomes, employment placements, or freelance revenue. Final execution and responsibility remain with the client.

Termination

MARS reserves the right to terminate or suspend access to our services immediately, without prior notice or liability, in the event of harassment, intellectual property violation, spamming, fraudulent payment, or breach of these terms.

2. PRIVACY POLICY

Information We Collect

We collect minimal necessary personal information required to deliver services, including your name, email address, transaction records, and referral attribution data. We do not store credit card numbers directly; all payment operations are handled securely through PCI-compliant gateways.

How Information is Used

Your email address is used to authenticate you via one-time verification codes, deliver advisory session confirmations, issue course waitlist notifications, and provide customer support. We never sell, rent, or trade your personal data to third parties for advertising purposes.

Analytics & Cookies

We utilize privacy-focused analytics to measure platform performance, page load reliability, and conversion metrics. Cookies are used strictly for session security and affiliate referral tracking (valid for 90 days).

Your Data Rights

You have the right to request access to the personal data we hold about you, request corrections, or request account and data deletion at any time by contacting MARS at marjan@marsizen.com.

3. REFUND & CANCELLATION POLICY

Digital Content & Advisory Services

Due to the personalized nature of founder-led advisory sessions and instant access to proprietary educational assets, consultations and accessed digital content are non-refundable once scheduled or completed.

Course Reservations & Pre-enrollment

Pre-enrollment seat reservations can be cancelled for a full refund up until 48 hours prior to the official cohort commencement date. Once cohort access is initiated, standard non-refundable digital terms apply.

Exceptional Circumstances

In the event of an unavoidable technical failure or scheduling conflict on the part of MARS, full reschedule or refund accommodations will be provided.
